

To Our Valued Customers:

The health welfare and safety of our customers, staff and community is our top priority during the COVID-19 pandemic.

We have chosen to remain open as long as it is safe to do so in order to provide what we deem to be an essential service supplying your lock and security needs.

We ask that you refrain from entering our premises if you have any symptoms, have been in contact with anyone with the virus or have traveled outside of Canada in the past 14 days. When in our shop please attempt to maintain a safe distance from our staff and customers. We also ask that you maintain proper coughing and sneezing etiquette (cough into sleeve or tissue).

We have implemented regular disinfecting of frequently touched surfaces and are monitoring our staff for signs of illness.

We will continue to adjust our policies and practices as changing circumstances require.

Sincerely,

Evan Morgan
President
Aegis Lockworks Ltd.
